***Monster Hunter Rise: Sunbreak* Scheduled for June 30 Release!**

- Capcom targets further global growth with launch of massive expansion -

Capcom Co., Ltd. (Capcom) today announced that *Monster Hunter Rise: Sunbreak* for Nintendo Switch and PC, a massive premium expansion for *Monster Hunter Rise*, is scheduled for release on June 30, 2022.

The *Monster Hunter* series consists of hunting action games that pit players against giant monsters in a beautiful natural environment. Beginning with the first title in 2004, the series established a new genre in which players cooperate to hunt ferocious monsters with their friends and has since grown into a global phenomenon with cumulative sales of the series exceeding 78 million units shipped as of December 31, 2021.

*Monster Hunter Rise: Sunbreak* is a massive premium expansion for *Monster Hunter Rise* (*Rise*, below), a title which has shipped more than 8 million units globally (as of January 18, 2022). In addition to new quest ranks, locales, monsters and never-before-experienced hunting actions, players will be able to enjoy new story elements as well. While currently being developed for its June 30 release, this title will also be released as a set with *Rise* in *Monster Hunter Rise + Sunbreak* (in both disc and download formats\*), in order to deliver the excitement of these games to an even wider player base.

Capcom remains firmly committed to satisfying the expectations of all users by leveraging its industry-leading game development capabilities in order to create highly entertaining gameplay experiences.

\*Physical disc version unavailable in some regions.
