Capcom Announces *Monster Hunter Wilds*!

- This latest title is scheduled to join the cumulative 95-million-unit-selling series in 2025 -

Capcom Co., Ltd. (Capcom) today announced that *Monster Hunter Wilds*, the next game in the critically acclaimed *Monster Hunter* series, is scheduled for release in 2025.

The *Monster Hunter* series consists of hunting action games that pit players against giant monsters in beautiful natural environments. Beginning with the first title in 2004, the series established a new genre of video games in which players work together with friends to hunt ferocious monsters. The *Monster Hunter* series has since grown into a global phenomenon with cumulative sales exceeding 95 million units as of September 30, 2023.

Monster Hunter Wilds is the latest title in the series and the first all-new mainline entry since *Monster Hunter Rise* was released in 2021. *Monster Hunter Wilds* is scheduled for release in 2025 and is being developed with the aim of delivering an experience that satisfies both long-time fans of the series and newcomers as well.

Capcom remains firmly committed to satisfying the expectations of all stakeholders by leveraging its industry-leading game development capabilities in order to create highly entertaining gameplay experiences.
